STEALTH 10

10ft Family Off-Road Hybrid Caravan
...Because there is a difference

JAWA STEALTH 10 OFF-ROAD HYBRID

**SCAN HERE
FOR MORE INFO**

The Jawa Stealth 10 is a fully inclusive and completely upgraded version of the SOLERA 10, designed to cater to adventurers of all kinds. This rugged off-roader offers exceptional comfort at any campsite, making it the perfect companion for any journey.

When fully set up, the STEALTH 10 extends to an impressive 13 feet, providing ample space in a compact hybrid design that can take you anywhere you desire.

Packed with luxurious inclusions and creature comforts, this vehicle is built to withstand the diverse conditions of the Australian landscape. With its signature design and superior build quality, the STEALTH 10 truly embodies the concept of a pint-sized glamping experience for adventurous duos.

Equipped for every outback adventure, the STEALTH 10 ensures you can camp in complete style and comfort, adding a touch of sophistication to your wilderness escapades.
